ENZYME DETECTION :

The petition to revive under 37 CFR 1.137(b) filed 10 April 2002 in the above-captioned application is hereby **GRANTED** as follows:

Applicants' statement that "the entire period of delay from the due date for entry into the National stage (December 4, 2001) until the filing of a grantable petition under 37 CFR 1.137(b) (April 10, 2002) was unintentional" meets the requirements of 37 CFR 1.137(b)(3).

A review of the application file reveals that the applicant has now submitted the full, basic national fee of \$445.00 and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National Stage in the United States of America.

This application is being forwarded to the United States Designated/Elected Office (US/DO/EO) for continued processing including the issuance of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an executed oath or declaration and payment of the applicable surcharge is required.
